## *Basic Skills Freestyles!*

### What is that?

These are two **ONE HOUR** long practice sessions (3:30 & 4:30 Tues & Thurs) for all skaters in our **LEARN TO SKATE** or **HOCKEY ACADEMY** classes and their family. Thank you for registering in our classes.

### Why are they great?

These sessions are perfect for practice time. There is **no loud music or dimmed lighting**. Many students use this time to take **private lessons** or just practice with new friends.

### How much do they cost?

You can get a **single session for \$10**, however you will save money buying packages - **10 sessions for \$75** or **20 sessions for \$140**.

Enjoy your practice!
